Summary Doc. No.:

1. The purpose of this document is to provide a record of the qualification test results for the material and manufacturing process of the product.

2. All manufacturing processes listed in the Manufacturing Summary shall not be subcontracted unless the subcontractors have been qualified by the Quality Company.

3. The qualification test results shall be recorded in the Qualification Test Report.

4. The qualification test results shall be recorded in the Qualification Test Report.

5. The qualification test results shall be recorded in the Qualification Test Report.

6. The qualification test results shall be recorded in the Qualification Test Report.

7. The qualification test results shall be recorded in the Qualification Test Report.

8. The qualification test results shall be recorded in the Qualification Test Report.

9. The qualification test results shall be recorded in the Qualification Test Report.

10. The qualification test results shall be recorded in the Qualification Test Report.

11. The qualification test results shall be recorded in the Qualification Test Report.

12. The qualification test results shall be recorded in the Qualification Test Report.

13. The qualification test results shall be recorded in the Qualification Test Report.

14. The qualification test results shall be recorded in the Qualification Test Report.

15. The qualification test results shall be recorded in the Qualification Test Report.

16. The qualification test results shall be recorded in the Qualification Test Report.

17. The qualification test results shall be recorded in the Qualification Test Report.

18. The qualification test results shall be recorded in the Qualification Test Report.

19. The qualification test results shall be recorded in the Qualification Test Report.

20. The qualification test results shall be recorded in the Qualification Test Report.

21. The qualification test results shall be recorded in the Qualification Test Report.

22. The qualification test results shall be recorded in the Qualification Test Report.

23. The qualification test results shall be recorded in the Qualification Test Report.

24. The qualification test results shall be recorded in the Qualification Test Report.

25. The qualification test results shall be recorded in the Qualification Test Report.

26. The qualification test results shall be recorded in the Qualification Test Report.

27. The qualification test results shall be recorded in the Qualification Test Report.

28. The qualification test results shall be recorded in the Qualification Test Report.

29. The qualification test results shall be recorded in the Qualification Test Report.

30. The qualification test results shall be recorded in the Qualification Test Report.

31. The qualification test results shall be recorded in the Qualification Test Report.

32. The qualification test results shall be recorded in the Qualification Test Report.

33. The qualification test results shall be recorded in the Qualification Test Report.

34. The qualification test results shall be recorded in the Qualification Test Report.

35. The qualification test results shall be recorded in the Qualification Test Report.

36. The qualification test results shall be recorded in the Qualification Test Report.

37. The qualification test results shall be recorded in the Qualification Test Report.

38. The qualification test results shall be recorded in the Qualification Test Report.

39. The qualification test results shall be recorded in the Qualification Test Report.
